22. Changing corporate and institutional mindset. Officials and hearts and minds being won over. NGOs attitudes and their concerns. Policy makers attitudes and narratives.
23. Thematic contributions: Green Issues, economic issues, social issues, environmental issues. Social and environmental justice issues. Climate change, institutional aspects, social, caring, workers, and other rights. Access and diversity, disability, tolerance, inclusion. Young people, older people, employment, work, jobs. Indicators, values. (for a more detailed list of these please email us.)

We would be pleased to receive papers ready to put into our chapters on any of the above themes or ideas for them. We are giving preference to our members and our students and our supporters.

If you are going to write please let us know now by emailing greenecomicsinstitute@yahoo.com. We hope to have the first draft within a month ie end of March 2012.

We welcome diverse contributions and we especially welcome and help with contributions from new writers or other ideas. The writing can be anything from 2 sides A4 or more. Ideally between 2 sides and 10 sides each. We will mix academic, institutional, research, polemic, simple and more complex writing, political, policy makers, government academic, campaigning, institutional and business styles of writing as this is much more exciting to read.

Please ensure you cite any items you have not written yourself and photos must all be attributed to who took them. References must be Harvard style- and we do not accept

footnotes. Please ask for further information or guidance if you need it. Please ensure you do not infringe anyone else's copyright.

We look forward to hearing from you very soon and to your writing for this exciting project.

Miriam Kennet, Volker Heinemann and Kristina Jociute
