

Green Students, Interns and Scholars: work experience and courses GREEN ECONOMICS INSTITUTE

**Opportunity to be included in this program for 2012
Let's start now! Apply NOW!**

Be included in this program and have an exciting time and experience, new knowledge and new contacts. Be part of changes creating a new brand of economics – GREEN ECONOMICS!!!

This program includes:

- Opportunity to attend 7th Annual Green Economics Conference at Mansfield College, Oxford University, July;
- Full membership of the Green Economics Institute for one year;
- Matriculation into Green Economics Interns College offering life-long career-support in a changing world;
- Meet and work with world's leading academics and campaigners, forging new pathways in a time of economics and environmental challenges.
- The opportunities to publish lecture and meet exciting people from the field of politics, academia, NGO's agencies and business.
- Certificates will be awarded for all participants who have successfully completed the programme

"..This is without a doubt the Rolls-Royce of internship..." - Michelle S.Gale de'Oliveira and Sophie Henstridge
